

2010 Training Schedule (Updated – 03/29/10)

(E)stimated – space held, but no specific arrangements yet

(T)entative – initial arrangements have been made

(C)onfirmed – final arrangements have been made

(D)one – course work has been presented

(P)ostponed – to be rescheduled

(##) - number of possible/actual course attendees

Prep/Closed – time needed to support existing schedule

TBD - Subject to be determined

Remember, programs need not be one week in length. If you want a one or two-day program, or a combination of shorter programs that would equal 4.5 – 5 days, it can be accommodated. Just let us know.
